SHELTER TAILS

Volume 8 Issue 2

Spring 2015

Furball! 2015

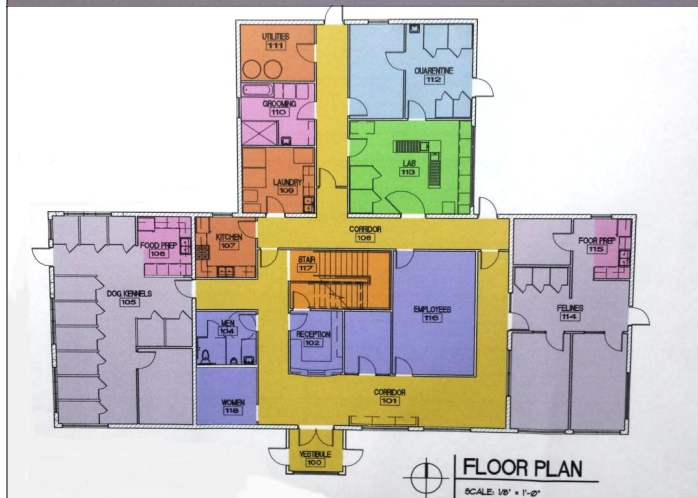

HSforBC held its Second Annual Furball! at the Golf Club of Indiana's Cardinal Room. The event sold out again this year and was wildly successful in adding \$44,500 to the Operation Shelter Fund. This year's event put the group one step closer to their ultimate goal of having its own shelter to house and treat animals.

The Humane Society was honored to have Boone County resident, animal lover and anchor at WTHR-13 John Stehr, volunteer his time to act as the emcee of the event.

In addition to the funds raised at the event, another highlight of the event was the unveiling of the proposed building design and floor plan. In the spirit of giving that filled the room, a live donation was made at the event by Vacuums & More owner Terrie England, who donated a central vacuum system for the building.

Auctioneer Steve Cross, held a "Fund the Cause" auction, where people bid just to donate money to the Humane Society and not on a physical item. The Fund the Cause brought in approximately \$13,000!

This 3-D color rendition with floor plan shows the view of the building from Perry Worth Road. Thank You to Darren Peterson from Peterson Architecture for creating this presentation.

In The Spotlight

Patty Healy and husband Don Jones have been volunteering for HSforBC for 7 years, and previous to that they were volunteers at another shelter. Patty served on our Board of Directors for several years in different positions. The couple has fostered many cats and dogs over the years, and have also adopted many.

Patty says they have a soft spot for senior dogs. "We love HSforBC and it's a very rewarding feeling helping the animals. Everyone should consider volunteering a few hours a week. "

Their home is on 8 acres in the country with several of those acres fenced for the animals. They currently have 6 dogs - 4 adopted from HSforBC, and 6 cats - 3 adopted from HSforBC.

Dalmatian puppies are pure white when they are born and develop their spots as they grow older. The same is true for Australian Cattle Dogs that are part Dalmatian.

"Thank You" to the Pleasant View Elementary School 1st grade class of Miss Moore for making a generous donation to HSforBC.

We received 5 bags of cat and dog food that Miss Moore's class donated by raising the money from a hot chocolate stand held at Greek's Pizzeria. They were so excited to tell us how they raised the money and that they were happy to help our animals!

Thank you to these youngsters for getting into the spirit of giving and helping the animals at such a young age. Miss Moore must be proud of her students.

These awesome donations we received from Brownie Troop 1385 at Pleasant View Elementary! Before accepting these great gifts, we had a 30 minute discussion about responsible pet ownership and pet care.

Thank You to Union Merry Makers 4-H Club for their generous donation. They collected paper towels, Clorox wipes, grocery sacks, kitten chow and litter, canned cat food, printer paper, dog treats, and a few toys.
